USSN : 10/762,304  
Title : Foam Pile System  
Inventor : Casey Moroschan  
Filing date : January 23, 2004

This paper is filed in response to the notice of non-compliant amendment dated October 10, 2007.

Applicant submits that the amendment is compliant. The notice of non-compliant specifies that claim 8 is missing. However, claim 8 was not in the application as filed, and its omission was not noted by the examiner nor by the applicant in filing the response. Hence, the amendment is complete. However, in order to expedite matters, the applicant has voluntarily amended the claims and the written argument in the response to the official action of May 3, 2007, to re-number the claims. Since the previous response was compliant, the amendment previously filed should be entered, and the following amendment is written as if those amendments were entered.

Therefore, further in response to the official action dated May 3, 2007, please amend the above identified application as follows:

**Amendments to the claims** are contained in the listing of claims which begins on page 2 of this paper.

**Remarks/arguments** begin on page 6 of this paper.
